The KMC Trampoline Team has started their competitive season with a part of the team traveling to New Jersey for the first competition and a majority of the team traveling to West Virginia for the second competition. The team has started the season off well and everyone is excited for their home meet on March 5.

Level 10

Mateo Reihman won third on trampoline in his first competition and won first in his second appearance in the 11-to-13- year-old age group.

Level 9

Logan Walchuk competed in the second competition and earned first place on trampoline in the 13-and-14-year old age group. Reihman earned third place on double mini trampoline in his first appearance and received first place in the second competition.

Level 8

Isaac Hannah competed in the second competition on trampoline and received first place for 15-and-over boys. Olivia Hurston also competed in the same age group for girls on trampoline and earned first place. Sadie Acland competed in both competitions and earned third place in the first competition and earned first place in the second, for girls 13-and-14-years old. Logan Walchuk competed on double mini where he won first place. Jordan Walchuk competed in the 10-and-under age group where she placed second on double mini.

Level 7

Kiara Kloss competed in the first competition and garnered first place on trampoline for 13-and-14 year-old girls. Also in the first competition, Amber Birkett earned fifth place on trampoline in the same age group.

Level 6

Abby Weer competed in both competitions. In the first she won first place on trampoline and sixth place on double mini for girls 11-and-12 -years old. In the second competition she received second place on both trampoline and double mini. In the same age group, Lily Tomeo earned fourth on trampoline and double mini. For boys 13-and-14-years-old, Jacob Rainbow won first place on double mini and second place on trampoline in the second competition. For girls, 15-and-over, Keeleigh Babcock won first on both trampoline and double mini in both competitions.

Level 5

Michael Schultz competed in the 13-and-14-year-old age group for boys where he won both trampoline and double mini in the second competition. For girls, 15-and-over, in the same competition, Jennifer Rainbow took home second place on both trampoline and double mini.

Level 4

Abbey Tomeo competed for the first time and earned fourth place on both trampoline and double mini in the 10-and-under age group.

The KMC Trampoline Team will host their Home Meet on March 5th,
